13 Oct 2009

Agenda item no. 8

Prepared by: Roger Garland

Date: 7 Oct 2009

Topic: ICOM Australia Museum Partnerships Program report

1. Recommendation

That the Executive Board note this report for the ICOM Australia Museum Partnerships Program (IAMPP).

2. Background

- 2.1 Executive Board member Chris Nobbs investigated the status of the one current project in the program: **2008-1-1 Project partnership**. In short the need for IAMPP funds for this project has evaporated however a new project application may emerge in 2010.

3. Issues

- 3.1 As noted in recent Executive Board meetings the IAMPP is lacking momentum and needs administrative support.
- 3.2 As part of a planned rejuvenation the Executive Secretary has begun a review of the IAMPP application process, documentation and administration.
- 3.3 Application eligibility and selection criteria have been reviewed, updated and placed on the beta web site.
- 3.4 The National Secretary proposes to discuss with the joint ICOM Australia-Museums Australia secretariat the possibility of picking up on this work.
